handing out [Vegan Outreach](https://veganoutreach.org/) booklets and vegan cookies at Indiana University Bloomington! Ashton and Katie from the new on-campus Allied Scholars for Animal Protection chapter met up with us to hand some booklets out before their normal weekly activism too. Ashton actually found a Vegan Outreach \"Why Vegan\" booklet left on a campus table last year which sparked his passion to learn more and become a vegan activist himself! He now helps lead the IU ASAP chapter. Katie also went vegan and joined the chapter soon after. \n \nOffering Vegan Outreach booklets is an effective way to reach hundreds of people, spark conversations, and give compassionate thinkers the info and motivation to go and stay vegan. We ended up handing out nearly 900 booklets and 654 cookies! Vegan Outreach leafleters have visited over a hundred colleges this semester - you can see leafleting records and request your own at adoptacollege.org Read some of the interactions Autumn and I had Monday: \n \n\ud83c\udf31 Daniel tried going vegan after discussing animal rights in philosophy classes sparked his interest, but he said the honest reason he couldn't maintain a fully vegan diet now was because of cravings outside the house and finding food to eat at restaurants. I shared some local vegan options and mentioned the The Vault Pub on campus who won an award for their vegan dishes in the Bloomington IN Vegan Chef Challenge a couple years ago. He agreed the key to staying vegan is to both maintain your dedication to respecting animal lives while finding the diet enjoyable enough to sustain long-term, so he agreed to start 10 Weeks to Vegan to help with both! He agreed to take a photo afterward. \n \n\ud83c\udf31 Mishay was very moved by doing a factory farming VR experience on campus a few years ago and now mostly eats vegan and even watches vegan recipe channels like Pick Up Limes! We talked through some of her challenges being fully vegan which was mainly eating outside the house. She's motivated to keep learning more from the booklet and agreed to take a photo! \n \n\ud83c\udf31 \"Enie and her friend were very interested in going vegan and seemed to resonate with them. If you can write a warm email and know your way around Mailchimp, you'd basically be the voice that keeps 400 animals a year worth of good work connected to the people who fund it. It's like an hour or two a month, genuinely small, but for a place this size it's the difference between a newsletter going out and just... not</p>\n\n<p>A lovely low-key one if you're a writer who wants to help but can't give a ton of time... small commitment, real impact, and you get to write about baby opossums getting a second chance, which beats most things you could be writing</p>\n\n<p>It's unpaid ofc (small wildlife nonprofit, every dollar goes to the animals)... but if this is your kind of thing, it's a really nice one :)</p>\n\n<p>Here's the link for more info if you wanna check it out:

if you're the one vegan someone knows, you already ARE their local Veganuary support system,
you're just doing it unofficially from your phone for free lol\n\nSo Veganuary (yeah the pledge
millions of people take every year) actually runs partly on local volunteers they call
Champions, and loads of areas just... don't have one. The role is basically being that friendly
chill human for your area, bringing people together, a bit of local outreach, and helping
curious folks take their first steps without any of the preachy stuff. The entire point is that
it's warm and genuinely non-judgemental, which tbh is the only version of this that's ever
actually worked on anyone\n\nIt's busiest around Nov\u2013Jan (roughly 1-4 hours a week in the
run-up) and quiet the rest of the year, just a monthly check-in and maybe a chill summer meetup
if you're up for it. No experience needed, it's a volunteer role so unpaid, and it works
wherever you happen to live. Honestly if you're already the person talking someone through their
first vegan January anyway, this is just... that, except with an whole organisation behind you

Nov\u2013Jan (roughly 1-4 hours a week in the run-up) and quiet the rest of the year, just a

monthly check-in and maybe a chill summer meetup if you're up for it. No experience needed, it's a volunteer role so unpaid, and it works wherever you happen to live. Honestly if you're already the person talking someone through their first vegan January anyway, this is just... that, except with an whole organisation behind you :)</p>\n\n<p>if it sounds like you, the application's over here: https://flockwork.org/requests/etr79mc0062e7y8pyu3kzpcy?source=reddit</p>\n</div><!-- SC_ON -->", "likes": null, "suggested_sort": null, "banned_at_utc": null, "view_count": null, "archived": false, "no_follow": true, "is_crosspostable": true, "pinned": false, "over_18": false, "preview": {"images": [{"source": {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?auto=webp&s=086aa86b71f97ad5e3146ed482cc853c00b3ed82", "width": 780, "height": 168}, "resolutions": [{"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=108&crop=smart&auto=webp&s=f0bfebda7c957f867898c31bc157d40d5c90b642", "width": 108, "height": 23}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=216&crop=smart&auto=webp&s=a1b0a7991deef73768aee1581f1b1c6d1befe786", "width": 216, "height": 46}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=320&crop=smart&auto=webp&s=52481bff4e17f8efa0dab3436b87527a5cca4c9e", "width": 320, "height": 68}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=640&crop=smart&auto=webp&s=dfb6d7269f32340389cc5a61657d2fe18e6bd0f1", "width": 640, "height": 137}], "variants": {}, "id": "DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU"}], "enabled": false}, "all_awardings": [], "awarders": [], "media_only": false, "link_flair_template_id": "7371b396-1c1e-11e5-a3f0-0ef6ca535a4d", "can_gild": false, "spoiler": false, "locked": false, "author_flair_text": null, "treatment_tags": [], "visited": false, "removed_by": null, "num_reports": null, "distinguished": null, "subreddit_id": "t5_2qhpm", "author_is_blocked": false, "mod_reason_by": null, "removal_reason": null, "link_flair_background_color": "", "id": "1wnuknp", "is_robot_indexable": true, "report_reasons": null, "author": "veganhacktivists", "discussion_type": null, "num_comments": 4, "send_replies": true, "contest_mode": false, "mod_reports": [], "author_patreon_flair": false, "author_flair_text_color": null, "permalink": "/r/vegan/comments/1wnuknp/you_know_how_every_january_you_basically_become/", "stickied": false, "url": "https://www.reddit.com/r/vegan/comments/1wnuknp/you_know_how_every_january_you_basically_become/", "subreddit_subscribers": 1993116, "created_utc": 1790133437.0, "num_crossposts": 0, "media": null, "is_video": false}}, {"kind": "t3", "data": {"approved_at_utc": null, "subreddit": "vegan", "selftext": "You know the thing where you're scrolling and your thumb just... flicks past something before your brain has even registered what it was? No design or biology needed, just someone organized who loves the hobby :))</p>\n\n<p>And it's a fun thing to have your name on... a real tabletop game from prototype to launch, which if you're into the board game world is kind of a dream side-project. It's a great portfolio/experience piece if you ever want to work in games or crowdfunding too. ~3-8 hrs/week, ongoing, so a proper little project rather than a one-off</p>\n\n<p>It's unpaid ofc (small advocacy group, passion project, the whole thing's mission-first)... but if "help ship a board game about lab-grown mars meat" sounds like something you'd be into...</p>\n\n<p>Here's the link to apply:

Animation's kinda perfect for it, you can get the reality across and still have people not scroll past.</p>\n\n<p>And they make it easy on the animator... they hand you the info, the key messages, the guidance for each video, EVERYTHING. You're just doing the part you're good at \ud83d\ude42\u200d\u2195\ufe0f Turning a message into something people stop and watch.</p>\n\n<p>It's volunteer/unpaid. But it's short (few weeks) and it's a nice reel piece... advocacy animation that ships into real campaigns :) Good if you do motion/animation and want something with a bit of weight behind it.</p>\n\n<p>Here's the link to apply for this opportunity to help: https://flockwork.org/requests/i11vf0sg6nsq60rcrm9cjun7?source=reddit</p>\n</div><!-- SC_ON -->", "likes": null, "suggested_sort": null, "banned_at_utc": null, "view_count": null, "archived": false, "no_follow": false, "is_crosspostable": true, "pinned": false, "over_18": false, "preview": {"images": [{"source": {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?auto=webp&s=086aa86b71f97ad5e3146ed482cc853c00b3ed82", "width": 780, "height": 168}, "resolutions": [{"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=108&crop=smart&auto=webp&s=f0bfebda7c957f867898c31bc157d40d5c90b642", "width": 108, "height": 23}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=216&crop=smart&auto=webp&s=a1b0a7991deef73768aee1581f1b1c6d1befe786", "width": 216, "height": 46}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=320&crop=smart&auto=webp&s=52481bff4e17f8efa0dab3436b87527a5cca4c9e", "width": 320, "height": 68}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=640&crop=smart&auto=webp&s=dfb6d7269f32340389cc5a61657d2fe18e6bd0f1", "width": 640, "height": 137}], "variants": {}, "id": "DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU"}], "enabled": false}, "all_awardings": [], "awarders": [], "media_only": false, "link_flair_template_id": "7371b396-1c1e-11e5-a3f0-0ef6ca535a4d", "can_gild": false, "spoiler": false, "locked": false, "author_flair_text": null, "treatment_tags": [], "visited": false, "removed_by": null, "num_reports": null, "distinguished": null, "subreddit_id": "t5_2qhpm", "author_is_blocked": false, "mod_reason_by": null, "removal_reason": null, "link_flair_background_color": "", "id": "1wafie3", "is_robot_indexable": true, "report_reasons": null, "author": "veganhacktivists", "discussion_type": null, "num_comments": 1, "send_replies": true, "contest_mode": false, "mod_reports": [], "author_patreon_flair": false, "author_flair_text_color": null, "permalink": "/r/vegan/comments/1wafie3/the_pictures_on_egg_cartons_happy_hens_green/", "stickied": false, "url": "https://www.reddit.com/r/vegan/comments/1wafie3/the_pictures_on_egg_cartons_happy_hens_green/", "subreddit_subscribers": 1993116, "created_utc": 1788845632.0, "num_crossposts": 1, "media": null, "is_video": false}}, {"kind": "t3", "data": {"approved_at_utc": null, "subreddit": "vegan", "selftext": "What are some non-american animal rights organizations and activists who

I want to ask everyone, what are good resources to learn more about veganism histories, movements and myths.
</p>\n\n<p>I want to educate myself so when being asked why I am doing what I am doing, I can answer them with confidence. I have learnt from arguments like "humans is hunters", "plants are living too" or "animals eat animals then why dont we do the same" on Reddit and Youtube. However, I am struggling to find a resource that includes everything I want to discover impact on the environment, impacts on local communities, what is it going on with vegansim and so on. Keep posting does not seem enough for me because animals are talking and human beings are not listening enough. How do I get involve more with vegan communities and movements? How do I expose myself more out there and raise awareness about the inhumanity and cruelty of animals use? If possible, could you share with me your experience as a vegan in Texas and organisations you are involved in?

There is still a selection of foods that I can eat of course, but a lot of our aggregated money is spent on non-vegan products.</p>\n\n<p>Recently, during one of our meetings, I brought it up to a vote to reduce the amount of non-vegan products that our house purchases (by stopping the purchasing of red meat items), and it surprisingly passed despite the number of people who consume beef and pork where I live.</p>\n\n<p>When I was making this argument, I listed (and elaborated on) these three reasons:</p>\n\n<p>- red meat is very bad for the environment</p>\n\n<p>- red meat is disproportionately more expensive protein options compared to more inclusive options</p>\n\n<p>- we all pay for house food, despite not everyone eating red meat</p>\n\n<p>I left out the moral arguments (which to me are the most convincing) because (1) I didn't expect people to be receptive to hearing me tell them eating red meat is wrong and (2) because they also apply to other animal products and I was worried about people dismissing me.</p>\n\n<p>I'm really happy that I was able to get this change passed in my house, even though it is a very small incremental change. I'm curious what others stories on taking any actions are (big or small), and I'm curious if anyone has any enlightening opinions on my situation.</p>\n</div><!-- SC_ON -->", "likes": null, "suggested_sort": null, "banned_at_utc": null, "view_count": null, "archived": false, "no_follow": false, "is_crosspostable": true, "pinned": false, "over_18": false, "all_awardings": [], "awarders": [], "media_only": false, "link_flair_template_id": "7371b396-1c1e-11e5-a3f0-0ef6ca535a4d", "can_gild": false, "spoiler": false, "locked": false, "author_flair_text": null, "treatment_tags": [], "visited": false, "removed_by": null, "num_reports": null, "distinguished": null, "subreddit_id": "t5_2qhpm", "author_is_blocked": false, "mod_reason_by": null, "removal_reason": null, "link_flair_background_color": "", "id": "1w4olzr", "is_robot_indexable": true, "report_reasons": null, "author": "Remarkable-Leg5240", "discussion_type": null, "num_comments": 2, "send_replies": true, "contest_mode": false, "mod_reports": [], "author_patreon_flair": false, "author_flair_text_color": null, "permalink": "/r/vegan/comments/1w4olzr/where_to_start/", "stickied": false, "url": "https://www.reddit.com/r/vegan/comments/1w4olzr/where_to_start/", "subreddit_subscribers": 1993116, "created_utc": 1788294958.0, "num_crossposts": 0, "media": null, "is_video": false}}, {"kind": "t3", "data": {"approved_at_utc": null, "subreddit": "vegan", "selftext": "\"In this episode, you will hear the unfiltered truth about the Ridglan Farms protests. From what I can tell Heidi knows the subject so deeply she could honestly talk about it for hours lol, so she wants someone who can help find the simple, clear version of the story.</p>\n\n<p>It's remote, a few hours a week, short-term to start (the real work kicks off in October so there's a bit of runway) and unpaid... brand new sanctuary, no budget for this kind of thing yet. </p>\n\n<p>So if you've ever done comms or messaging work and want to point it at something impactful and real, the listing's here:</p>\n\n<p>https://flockwork.org/requests/grj7b3ohm7pmah437cwls2aj?source=reddit</p>\n\n<p>Would be very cool to see this one actually get off the ground... those tigers have waited long enough :)</p>\n</div><!-- SC_ON -->", "likes": null, "suggested_sort": null, "banned_at_utc": null, "view_count": null, "archived": false, "no_follow": false, "is_crosspostable": true, "pinned": false, "over_18": false, "preview": {"images": [{"source": {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?auto=webp&s=086aa86b71f97ad5e3146ed482cc853c00b3ed82", "width": 780, "height": 168}, "resolutions": [{"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=108&crop=smart&auto=webp&s=f0bfebda7c957f867898c31bc157d40d5c90b642", "width": 108, "height": 23}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=216&crop=smart&auto=webp&s=a1b0a7991deef73768aee1581f1b1c6d1befe786", "width": 216, "height": 46}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=320&crop=smart&auto=webp&s=52481bff4e17f8efa0dab3436b87527a5cca4c9e", "width": 320, "height": 68}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=640&crop=smart&auto=webp&s=dfb6d7269f32340389cc5a61657d2fe18e6bd0f1", "width": 640, "height": 137}], "variants": {}, "id": "DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU"}], "enabled": false}, "all_awardings": [], "awarders": [], "media_only": false, "link_flair_template_id": "7371b396-1c1e-11e5-a3f0-0ef6ca535a4d", "can_gild": false, "spoiler": false, "locked": false, "author_flair_text": null, "treatment_tags": [], "visited": false, "removed_by": null, "num_reports": null, "distinguished": null, "subreddit_id": "t5_2qhpm", "author_is_blocked": false, "mod_reason_by": null, "removal_reason": null, "link_flair_background_color": "", "id": "1vqj37s", "is_robot_indexable": true, "report_reasons": null, "author": "veganhacktivists", "discussion_type": null, "num_comments": 2, "send_replies": true, "contest_mode": false, "mod_reports": [], "author_patreon_flair":

Cooper Barnes (the Henry Danger guy lol) who btw is actually an animal activist irl, does a bit in it. </p>\n\n<p>The thing I thought was actually cool is they had 200-something rescued animals around during filming and flat REFUSED to use any of them as props or "livestock," just worked around them the whole shoot. anyway it's a tiny operation, the instagram's sitting at like 500 followers and they're trying to get it picked up by a network or streamer and ofc having an actual audience behind it makes a big difference.</p>\n\n<p>So they're after someone to help run and grow the socials. it's not like a "make us go viral overnight" thing... more like they've already got the footage and the premise and just need someone actually posting consistently and building it up from where it is. It's a few hours a week, short-term, remote, unpaid since it's a passion project. So if you do social or content stuff and wanna point it at something like this, the listing's here: </p>\n\n<p>https://flockwork.org/requests/dk3sdtwj3vxexs78c83sooce?source=reddit</p>\n\n<p>I'd love for this one to make it :)</p>\n</div><!-- SC_ON -->", "likes": null, "suggested_sort": null, "banned_at_utc": null, "view_count": null, "archived": false, "no_follow": false, "is_crosspostable": true, "pinned": false, "over_18": false, "preview": {"images": [{"source": {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?auto=webp&s=086aa86b71f97ad5e3146ed482cc853c00b3ed82", "width": 780, "height": 168}, "resolutions": [{"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=108&crop=smart&auto=webp&s=f0bfebda7c957f867898c31bc157d40d5c90b642", "width": 108, "height": 23}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=216&crop=smart&auto=webp&s=a1b0a7991deef73768aee1581f1b1c6d1befe786", "width": 216, "height": 46}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=320&crop=smart&auto=webp&s=52481bff4e17f8efa0dab3436b87527a5cca4c9e", "width": 320, "height": 68}, {"url": "https://external-preview.redd.it/DHg3MWLsXtPFL9A-e8-648EEcWztjVsJzXrLyAnB1oU.png?width=640&crop=smart&auto=webp&s=dfb6d7269f32340389cc5a61657d2fe18e6bd0f1", "width":

causes, also to remind people caring for one cause about the other ones. E.g I made a sticker w the text \u201cNobody belongs in a cage\u201d with a fence bent open image behind it combining abolitionism (against prisons) and animal rights, and a patch with \u201cNo borders, no cages\u201d with a broken barbed wire fence from which humans and animals are running out. I thought now of smth like \u201cdon\u2019t kill gay animals\u201d to remind ppl that animals are so sentient that they can be gay too, we don\u2019t wanna kill human or non-human gay (or any) animals, the wording\u2019s not there yet tho. All sorts of ideas are welcome! I can share the ones I have made and like more. </p>\n</div><!-- SC_ON -->", "likes": null, "suggested_sort": null, "banned_at_utc": null, "view_count": null, "archived": false, "no_follow": false, "is_crosspostable": true, "pinned": false, "over_18": false, "all_awardings": [], "awarders": [], "media_only": false, "link_flair_template_id": "7371b396-1c1e-11e5-a3f0-0ef6ca535a4d", "can_gild": false, "spoiler": false, "locked": false, "author_flair_text": "vegan 8+ years", "treatment_tags": [], "visited": false, "removed_by": null, "num_reports": null, "distinguished": null, "subreddit_id": "t5_2qhpm", "author_is_blocked": false, "mod_reason_by": null, "removal_reason": null, "link_flair_background_color": "", "id": "1vhvnr1", "is_robot_indexable": true, "report_reasons": null, "author": "Mmarzipan-", "discussion_type": null, "num_comments": 6, "send_replies": true, "contest_mode": false, "mod_reports": [], "author_patreon_flair": false, "author_flair_text_color": "dark", "permalink": "/r/vegan/comments/1vhvnr1/pinsticker_design_ideas/", "stickied": false, "url": "https://www.reddit.com/r/vegan/comments/1vhvnr1/pinsticker_design_ideas/", "subreddit_subscribers": 1993116, "created_utc": 1786094360.0, "num_crossposts": 0, "media": null, "is_video": false}}, {"kind": "t3", "data": {"approved_at_utc": null, "subreddit": "vegan", "selftext": "There's a small team called Active for Animals that builds free software for animal charities. stuff like: tracking which outreach emails land, following up with people who signed up at an event before they drift off, measuring whether a campaign did anything. It would be great if I could get some advice from you all on where to go with this. \n\nFirst, there is Pro-Animal Future, which is an organization that aims to effect political change for animals with things

like foie gras bans. Then, there is Anonymous for the Voiceless, which I\u2019m sure you\u2019ve heard of but it is a street activism group that aims to convert passersby to veganism. My city has chapters of both organizations. (I\u2019ve also considered starting a We The Free chapter here, as some people tell me it\u2019s better than AV, but we can just lump that in with AV as street activism for this discussion).\n\nI am strictly abolitionist and anti-welfarism in principle, so the Pro-Animal Future bans put a sour taste in my mouth. They try to expand their reach and donation base to the general public so lot of their messaging appeals to meat eaters by targeting animal cruelty instead of animal use itself. Conversely, I like AV because they allow full expression of the vegan principle of ending animal use, and do not dilute it to appeal to nonvegans.\n\nI have heard from activists more experienced than myself that AV and street activism in general is essentially pointless, as they've existed for years and the percentage of vegans has remained the same. They have likened it to punching a wall to try to knock it down - it feels better but doesn't work - while Pro-Animal Future is more like drilling a hole in the wall, i.e. using strategy and workarounds to bring about the desired outcome. This is quite convincing as I have a perception that political movements are needed for societal change - for example, the Civil Rights movement wouldn't have gotten anywhere if it weren't for laws being implemented to enforce changes. \n\nMeanwhile, AV people have told me this is useless because of \"humane-washing,\" i.e. removal of \"cruelty\" causing the perpetuation of animal use through societal endorsement of the \"non-cruel\" methods. I\u2019ve also heard that street activism can be useful by helping shift the Overton window so that people are more likely to vote for these changes when they are put on a ballot. \n\nRight now I\u2019m sort of leaning towards doing both.
